Welcome to the SUNY Global Center!

Welcome to the IEUSS 2023 SUNY Model European Union (SUNYMEU) back again live and in person in the beautiful SUNY Global Center in NYC. This is an exciting opportunity to actively learn about the European Union by “being” the European Union led by our student directors. SUNYMEU, established in 1988 as the original SUNY Model European Community as it was then called, is looking forward to several intensive days of collaboration and learning. We are delighted to meet with you and work with you.

The General Secretariat opens SUNYMEU to answer “housekeeping” questions. The SUNYMEU Student Leadership Team (SLT) – the Council Presidency (Sweden), the European Council President, the European Commission President, and the High Representative/VP of the Commission – introduce themselves. The Swedish Presidency announces the general rules of debate and presents the four agenda items to be debated and by which functional group (European Council, Foreign Affairs Council (FAC), EcoFin Council, and Coreper II).

The President of the European Parliament makes a speech laying out the EP’s position on each of the agenda items.

Member States that have submitted alternative proposals are invited to present their proposals.

The General Secretariat conducts a vote on the alternative agenda items the delegates wish to discuss should their committee achieve consensus on their assigned agenda item on or before the Saturday morning session.

(Please see your conference packet for a copy of the agenda items, explanation of agenda items, and the alternative agenda items. The agenda is also downloadable from the SUNYMEU 2023 website.)
